Anurag mourya

I'm a third-year student pursuing a bachelor's in computer science from MIT Ujjain. A passionate learner who's always willing to learn and work across technologies and domains. Love to explore new technologies and leverage them to solve real-life problems. I'm into web development and working on my data structures and algorithm skills. I'm always ready to improve my programming skills and adopt new technologies.

Govt. School Of Excellence Mandsour
06/2018 - 04/2019   *Percentage 87.8*

Bachelors In Computer Science Engineering
Mahakal Institute Of Technology Ujjain
07/2019 - Present   *CGPA 8.6*

PERSONAL PROJECTS

Portfolio Website ⌁
- I have designed this website as a place for me to record all my projects and skills acquired so far. These are just a few of the things that I have worked on recently.
- It uses React and tailwind CSS on a front-end side.

Corona Tracking web App ⌁
- It is a web app that is used to check total positive cases of corona and statistics, deaths, recovered people, and other relevant data on a global level.
- It uses React on a front-end side and an Axios module for API Calls.

Chat App ⌁
- This application is based on a chat engine(Chat API provides many features to implement our own chat app) where people can interact with each other.
- It uses React on a front-end side and an Axios module for API Calls.

WORK EXPERIENCE

Web Developer/Content Wrtiter
AdSpeaker ⌁
I've worked on a local start-up as a web developer or content writer.

SKILLS

HTML 5   CSS 3   Tailwind CSS   JavaScript
